Independent auditors' report for the purpose of the AIM Italy Rules for Companies

To the Board of Directors of
Dominion Hosting Holding S.p.A.

Report on the consolidated financial statements

Opinion

We have audited the accompanying consolidated financial statements of Dominion Hosting Holding S.p.A. (the "Company") and its subsidiaries (the "Group"), which comprise the statement of financial position as of December 31, 2019, the statement of comprehensive income, the statement of cash flow and the statement of changes in shareholders equity for the year then ended, a summary of significant accounting policies and other explanatory notes.

In our opinion, the consolidated financial statements give a true and fair view of the financial position of DHH Group as of December 31, 2019, of the result of its operations and its cash flow for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (ISA Italia). Our responsibilities under those standards are further described in the *Auditor's Responsibilities For The Audit Of The Consolidated Financial Statements* section of this report. We are independent of the company in accordance with ethical requirements and standards applicable in Italy that are relevant to the audit of consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other matters

This report is not issued in accordance with law because directors of Dominion Hosting Holding S.p.A. have prepared on voluntary basis the consolidated financial statements for the purposes of the AIM Italy Rules for Companies.

Responsibilities of Directors and Those Charged with Governance for the consolidated financial statements

The Directors of Dominion Hosting Holding S.p.A. are responsible for the preparation of consolidated financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the European Union and, within the limits of the law, for such internal control as Directors they determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are responsible, within the terms provided by the law, for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISA Italia) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of the audit in accordance with International Standards on Auditing (ISA Italia), we exercise professional judgment and maintain professional skepticism throughout the audit. Furthermore:

- Identify and assess the risk of material misstatement of the consolidated financial statements, whether due to fraud or error; design and perform audit procedures in response to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control;
- Obtain and understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control;
- Evaluate the appropriateness of accounting principles used and the reasonableness of accounting estimates and related disclosures made management;
- Conclude on the appropriateness of management's use of the going concern and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions in a manner that achieves fair presentation.

We communicate with those charged with governance, identifies at an appropriate level as required by ISA Italia regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
