

## **Seeweb is committed to a greener internet and becomes Gold Partner of “The Green Web Foundation”**

Milan, 9 February 2021. DHH S.p.A. (“DHH”) (DHH.MI | WDHH21.MI) (ISIN shares IT0005203622 | ISIN warrants IT0005203689), the cloud computing provider of Southeast Europe, announces that Seeweb, its fully owned portfolio company – [www.seeweb.it](http://www.seeweb.it), has become a Gold Partner of “The Green Web Foundation”, an international foundation that works to raise awareness in the digital world on the issue of environmental sustainability.

[“The Green Web Foundation”](#) is a non-profit organization that has been working since 2006 to speed up the transition towards a completely green Internet. The organization manages a database of green web hosts and maps out which websites run on renewable energy and which do not. Gold Partner is the highest certification level.

Antonio Baldassarra, CEO of Seeweb, comments: *“We are very happy to support the initiative of “The Green Web Foundation” and we are now also committed to a greener internet as a Certified Partner; this underlines that our data centers run 100% on renewable energy. Our customers need to know that in the search results, their websites will benefit from our green positioning and this has an impact on the sustainability level of their IT infrastructures, an increasingly important requirement for sustainable hosting.”*
