

Seeweb promotes the Kromin Academy a completely free Italian Web Development Academy

Milan, 3 May 2021. DHH S.p.A. (“DHH”) (DHH.MI | WDHH21.MI) (ISIN shares IT0005203622 | ISIN warrants IT0005203689), the cloud computing provider of Southeast Europe, announces that Seeweb (www.seeweb.it), its fully owned portfolio company, together with Kromin (www.kromin.it) created a totally free Web Development Academy.

The main objective of the project is to bring and raise awareness among the youngest in the world of Coding. Thanks to the [Kromin Academy](http://www.krominacademy.it), selected candidates between the ages of 18 and 25 will have the opportunity to learn programming languages in a simple and intuitive way, followed by highly qualified teachers who will guide them parallel to their entrance into the world of work.

The course will include over 160 hours of lessons, divided into 10 modules, on the foundations of programming, allowing to acquire all the skills necessary to immediately start a working career. Beyond the basic themes, languages, and technologies more advanced, the course will help students develop critical thinking and a working method, training candidates ready to be hired throughout Italy and abroad.

For more information and send the application (by 7 May) to participate in the project, please visit the Kromin Academy website (www.krominacademy.it).

The lessons will be held at the Seeweb headquarters in Via A. Vona 66 - 03100 Frosinone (FR) from 17 May to 21 June 2021.

[Kromin](http://www.kromin.it) is a Data Driven Agency that carries out activities of Development, Marketing, Data Analysis, Design, and Video Production. Thanks to the union of strategies of data-driven marketing and technological solutions, Kromin helps Italian and international companies to pursue a process of digital evolution, creating new and concrete business opportunities.
