

DHH publishes its first ESG report

Milan, 07 March 2022. DHH S.p.A. (“DHH” or the “Company”) (DHH.MI | WDHH21.MI) (ISIN shares IT0005203622), the cloud computing provider of Southeast Europe, announces the publication of its first Environmental, Social and Governance (ESG) report - sustainability report -, which provides information on how DHH is addressing the ESG matters that the Company and its stakeholders view as the most important to its business.

ICT companies have revolutionized the way businesses operate, increasing productivity and boosting global economic output and trade. This is why they are crucial players in fostering a more equitable technology ecosystem. Therefore, DHH’s priority has become promoting leadership by way of integration of sustainable business practices at all portfolio companies and on all levels.

In this sustainability report, DHH outlines its commitments to alignment with United Nations’ Sustainable Development Goals (UN SDGs) and Environmental, Social, and Governance standards. The report integrates sustainability efforts from the eight most represented entities of the Group, as well as examples of sustainability practices across the region.
