Auditors' review report on consolidated condensed interim financial statements

To the Shareholders of
Dominion Hosting Holding S.p.A.

Introduction

We have reviewed the accompanying consolidated condensed interim financial statements comprising the consolidated statement of financial position, the consolidated income statement, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows and notes of Dominion Hosting Holding S.p.A. and its subsidiaries (DHH Group) as of 30 June 2023.

The directors are responsible for the preparation of the consolidated condensed interim financial statements in accordance with International Accounting Standard applicable to interim financial reporting (IAS 34) adopted by the European Union.

Our responsibility is to express a conclusion on these consolidated condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures.

The scope of a review is substantially less than an audit conducted in accordance with International Standards on Auditing (ISA Italia) and, consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on the consolidated condensed interim financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying consolidated condensed interim financial statements of DHH Group as of 30 June 2023 are not prepared, in all material respects, in accordance with the International Accounting Standard applicable to interim financial reporting (IAS 34), as adopted by the European Union.
